

Dr. Chris Goddard

Surgeon

Dr. Chris Goddard is an experienced and accomplished surgeon. Having graduated from Medical school with distinction in 1991, he completed a postdoctoral fellowship in the department of critical care specializing in vascular dysfunction in sepsis. In 1998, he received his PhD from the University of British Columbia Department of Experimental Medicine and in 2000 he completed a Fellowship in General Surgery also at UBC. He has been a clinical instructor of medicine, surgery, and acute trauma life support. He has authored numerous peer-reviewed publications.
